Dear Prof. Valkanova,

On behalf of the *Mediadelcom* project of H 2020 EU program I would like to congratulate you and your colleagues on the occasion of the 70 anniversary of the journalism education in Bulgaria! We are thankful for the possibility to arrange the Sofia MEDIADELCOM meeting on 12-16 Sep 2022.

Participation with papers of *Mediadelcom* members at the "Media Literacy: Classic and Modern Dimensions", International Scientific Conference, held 28-29 Oct 2021 was a useful possibility for re-conceptualizing media literacy in the turbulent 21st century context.

Some members of *Mediadelcom* will participate with papers at the "Communication and Media in the 21st century: Educational and Professional Challenges", international scientific 70 jubilee conference of the Faculty of Journalism and Mass Communication, The St. Kliment Ohridski Sofia University (27-28 Oct 2022). Professional competencies are also among the focuses of our project.

Thank you for this support!

Kind regards,

Halliki Harro-Loit
